PASS SHOOT SCORE!! Consider entering this tournament!!!

What is happening:

- All teams at all divisions and categories were able to complete their seasons, thanks to extending our ice until the end of April
- Organized by CCMHA, a successful championship weekend was held for U7, U9 and U11 HL. Thank you to all who organized and volunteered!! Special thanks to Leo Verrilli!!!
- NCHA and SMHA have partnered to offer a single AAA team at U12 through to U18. Tryouts will be in the fall.
- The season normally would be finished by the third weekend in March and thanks to COVID, we went until the end of April. Our by-laws do not contain COVID contingencies, but this has resulted in our AGM being postponed to no later than June 30, 2022. Members will receive email notifications.
- AAA, AA, A and HL team surveys have been sent out.
- AAA and AA teams were announced, and coaching applications are currently being accepted. If interested, see the websites for CCMHA, NCHA and SMHA to apply for their respective teams.

Thank You!!!

Thank you to Silver Stick for their ongoing support of SMHA and their continued generosity!!

SPECIAL CONGRATULATIONS!!

Congratulations to Tyson Rismond, Nolan Newton and Braedon Vis of the U16 AAA Nickel Capitals on having been selected in the 2022 OHL Priority Selection draft!!

We would like to thank all our coaches, managers, trainers, bench staff and on-ice volunteers for all the time they have given to help grow the game that we all love so much, especially through these challenging COVID times!!

We want to thank all game officials for continuing to work through this pandemic to keep kids on the ice and playing the game we all love!!

We also thank our parents and players for continuing to persevere and for their patience and understanding as we all navigated through the new territory of a pandemic experience.
